PRELIMINARY AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Prior to examination, please amend the above-identified application as follows:

IN THE CLAIMS:

Please add the following new claim:

16. A printing system for compensating a user for printing information received by the user via the Internet, comprising:

A) an information sending apparatus operable to provide information via the Internet to a terminal unit that is operable to print said information with a printer; and

a printing managing apparatus operable to obtain a printing cost for printing said information by said printer and to compensate a user for said printing cost, said printing managing apparatus compensating a user for said printing cost by charging said printing cost to
